

Raptor Ridge

W I N E R Y

2015 Shea Vineyard Pinot Noir

Raptor Ridge's working history with this vineyard extends back to the earliest days of our winery, when, in 1996, Scott began sourcing ungrafted Pommard from Block 1. Raptor Ridge presently draws its fruit from Block 11, midway up the East Hill, planted with clones 115 and 777 on 4409 rootstock. The structure of Shea usually permits long-term aging.

- Bottled: September 1st, 2016
- Alcohol: 14.5%
- Case Production: Fewer than 500 cases
- Block: 11
- Clonal Selection: 115, 777
