

Raptor Ridge

2013 Pinot Gris

Willamette Valley

91 Points

Wine & Spirits

OCTOBER 14, 2014

Mineral and complex, this gris leads with a mild spiced apple scent but its flavors, and especially its texture, demand attention. It tastes like salted white plums, the savor enhancing the sweetness and giving the wine length. Still growing into itself, this would benefit from a few months in the cellar. Serve it with poached whitefish.
