2015 Gran Moraine Vineyard Chardonnay

The 2015 Chardonnay is a Vineyard designated Dijon Clone 76 hailing from 210-acre Gran Moraine Vineyard in the Yamhill-Carlton AVA. Gran Moraine is comprised of well-drained, ancient Willakenzie and Hazelair soils and is situated in the foothills of the Coast Range at 180-240 feet elevation 10 miles west of Carlton, Oregon.

This balanced wine was barrel fermented, with just 10% new oak, the remainder neutral. To create a creamy, round texture, regular lees stirring was employed. Malolactic fermentation contributed balanced acidity.
