Contribution Request Form

At Raptor Ridge Winery, we strongly believe in supporting the communities that have helped us to grow and succeed in our own efforts. We also support charities that have touched our lives and those of the people we work with. **In addition to iSalud!, the nonprofit dedicated to providing healthcare access to seasonal vineyard workers and their families, our philanthropic focus is on education, equality and the environment.**

To request a contribution, please complete the form below and return it to us at least eight weeks prior to your "need by" date. If your request is approved, you will receive e-mail confirmation from us within 14 days of your request.

Due to the volume of requests, we are not able to contribute to every need. **We also kindly ask that all requests be made using the form below, and be delivered to Raptor Ridge Winery via e-mail, fax or mail.** We cannot accept requests made by phone, and cannot accept requests by e-mail or mail that do not include this completed form. We appreciate your cooperation and understanding.
